Servly AG: legal pages for review

Prepared 2 November 2026 · Draft text last updated November 2026 · Servly AG, St. Mary's, Antigua and Barbuda · servlyag5@gmail.com

> **What Servly AG is.** A marketplace app (Android, iPhone and website, servlyag.com) where local businesses in Antigua and Barbuda list their services (photographers, hairdressers, tutors, bus services and more) and customers find them, message them, call them, review them, and (for some businesses) book appointments. Customers use it free. Businesses ("merchants") pay Servly a monthly plan: Starter 50 XCD, Growth 100 XCD, Business 170 XCD, with an optional 25 XCD bookings upgrade. Servly never takes payment for the merchants' own services. Planned launch: 15 December 2026 or 7 January 2027.

Questions for the lawyer

1. **Whose name goes on these pages?**
   The drafts say "Servly AG" at St. Mary's. Should they use the exact registered business name and address once registration with the Intellectual Property office is done?

2. **Sole trader or company?**
   Which structure suits an online marketplace that charges monthly subscriptions, and does it change how these pages are written?

3. **Do the pages meet Antigua and Barbuda's data protection law?**
   We store data with Supabase (servers outside Antigua) and send phone notifications through Expo. Is the Privacy Policy (P1-P9) enough, and do we need a named contact person for data requests?

4. **Is "not a party to agreements between customers and merchants" enough protection?**
   Servly only connects customers with independent businesses (Terms T2 and T9). Should merchants agree to anything more, e.g. a separate merchant agreement, or confirming they hold licences/insurance?

5. **Are the automatic monthly renewal and "no refund once a month has started" rules allowed?**
   Refund Policy R2-R4 and Terms T4. Is anything required by consumer law (notice before renewal, cooling-off period, how cancellation must work)?

6. **Do the Terms need to cover free trials and launch promo codes?**
   We plan free trials for Founding Merchants (usually 90 days) and the LAUNCH50 code (50% off the plan for the first 2 months, 25 merchants). These are not mentioned in the drafts yet.

7. **Sales tax (ABST) on plan prices**
   Plans are 50 / 100 / 170 XCD per month, plus 25 XCD for the bookings upgrade. Must prices include ABST or show it separately, and on receipts? (Also asking Inland Revenue.)

8. **Is a minimum age of 16 right?**

   Privacy P8 and Terms T3.

9. **Reviews and removing content**

   Customers can post star ratings and comments; merchants can reply. Are we protected if a review is false or hurtful (defamation), and is our right to remove reviews and close accounts (T6-T8) worded well?

10. **Penalties for misleading listings**

    T7: listings with misleading tags can be hidden, suspended or removed; repeated misuse can close the account. Is this fair and enforceable?

11. **How long must we keep payment records?**

    When an account is deleted, payment records are kept without the name (P5). How many years does the law require?

12. **Protecting the name and logo**

    Should "Servly AG", the tagline "Whatever you need, someone's ready." and the blue map-pin logo be registered as trademarks at the Intellectual Property office?

13. **Merchants and customers outside Antigua later**

    We plan to grow to the wider Caribbean. Is "governed by the laws of Antigua and Barbuda" (T11) enough, or will each country need changes?

14. **Anything missing before the app stores?**

Apple and Google require a Privacy Policy link and a support contact. Is there anything else you would add (e.g. a Cookie notice for the website, or a disclaimer on the listing pages)?

Terms of Service DRAFT

Shown at servlyag.com/terms and in the app · Last updated: November 2026

T1. About these terms

T1.1 These terms are an agreement between you and Servly AG for using the Servly AG app and website. By creating an account or using Servly, you agree to them.

T2. What Servly is

T2.1 Servly is a marketplace that connects customers with independent local service providers ("merchants"). Servly does not provide the services listed and is not a party to agreements between customers and merchants.

T2.2 Merchants are responsible for their services, prices, availability, licences and the accuracy of their listings. Customers should agree the details of any job directly with the merchant.

T3. Your account

T3.1 You must give accurate information, keep your password private, and be at least 16 years old. You are responsible for activity on your account.

T4. Merchant plans

T4.1 Merchants pay a monthly subscription (Starter, Growth or Business) and may upgrade to bookings (the booking app). Prices are shown in the app in Eastern Caribbean dollars (XCD). Each payment covers one month; listings are hidden when a plan ends until it is renewed.

T4.2 Plans renew monthly until cancelled. How to cancel, and when payments can be refunded, is explained in our Refund and Cancellation Policy, which is part of these terms.

T5. Bookings

T5.1 Merchants can send a booking for a customer to confirm. A confirmed booking is an arrangement between the customer and the merchant. Merchants may cancel bookings; Servly is not responsible for missed, cancelled or changed appointments.

T6. Reviews

T6.1 Reviews must be honest and about a real experience with the listing. Do not post reviews for your own business, offer rewards for reviews, or post false, abusive or private information. We may remove reviews that break these rules.

T7. What is not allowed

T7.1 Illegal services, scams, spam, fake listings or reviews, harassment, hate, sexual content, or sharing other people's personal information without permission.

T7.2 Trying to get around plan limits or Servly's security, or using Servly to contact people for unrelated marketing.

T7.3 Misleading listings: search tags, titles or descriptions for services the business does not offer, for example adding unrelated tags so a listing shows up in more searches. Such listings may be hidden, suspended or removed, and repeated misuse can lead to the account being closed.

T8. Reports, blocking and removal

T8.1 You can report listings, reviews and users, and block people you don't want to hear from. We may hide content, suspend or close accounts that break these terms.

T9. Liability

T9.1 Servly is provided "as is". To the extent allowed by law, Servly is not liable for the quality, safety or legality of services listed, for disputes between users, or for indirect losses.

T10. Ending your account

T10.1 You can delete your account at any time in Account > Delete my account. We may close accounts that break these terms.

Refund and Cancellation Policy DRAFT

Shown at servlyag.com/refunds and in the app · Last updated: November 2026

R1. About this policy

R1.1 This policy covers payments made to Servly AG: monthly merchant plans (Starter, Growth and Business) and the bookings upgrade (the booking app). Prices are in Eastern Caribbean dollars (XCD).

R1.2 Servly does not take payment for the services merchants offer. If you paid a merchant for a haircut, a delivery or any other service, refunds for that service are between you and the merchant.

R2. How monthly plans work

R2.1 Each payment covers one month, starting when the plan is activated. Plans renew every month, and the payment method is charged automatically, until the plan is cancelled.

R2.2 If a monthly payment does not go through, the plan ends on its end date and the listings are hidden from customers until it is renewed.

R3. Cancelling

R3.1 You can cancel at any time. In the app, open the ☰ menu > Contact support and choose Billing, or email servlyag5@gmail.com. We will confirm your cancellation.

R3.2 To avoid the next charge, please cancel before your renewal date (shown on your Account page). After you cancel, your plan keeps working until the end of the month you have paid for. Then it ends and your listings are hidden. Your account and listings are kept, so you can renew later.

R4. Refunds

R4.1 Once a month has started, the payment for that month is not refundable, including for unused days or features, unless the law requires otherwise.

R4.2 This also applies if listings are hidden or removed because they broke our Terms of Service.

R5. Billing mistakes

R5.1 If you were charged by mistake (for example charged twice, charged after we confirmed your cancellation, or charged the wrong amount), tell us within 30 days of the charge through Contact support or servlyag5@gmail.com. We will refund the amount charged by mistake.

R5.2 Refunds go back to the card or account you paid with. Your bank may take several business days to show it.

R5.3 If something looks wrong on your statement, please contact us before disputing the charge with your bank. We can usually fix it faster.

R6. Price changes

R6.1 If a plan price changes, we will tell merchants before the new price applies to their next payment.

R7. Law and contact

R7.1 This policy is governed by the laws of Antigua and Barbuda and does not affect any rights you have under that law. We may update it and will show the new date at the top. Questions? Contact servlyag5@gmail.com.
